customer code for market purpose , it could be
alphanumeric characters or blank)

Ratings : Refer to the test report

Test Standards:

EN IEC 55015:2019
EN 61547:2009

The above product has been tested by us with the listed standards and found in compliance with the European Electromagnetic Compatibility Directive 2014/30/EU. It is possible to use CE marking to demonstrate the compliance with this EMC Directive.

EN IEC 55015: Limits and methods of measurement of radio disturbance characteristics of electrical lighting and similar equipment
EN 61547: Electromagnetic for general lighting purposes - EMC immunity requirements

The referred test report(s) show that the product complies with standard(s) recognized as giving presumption of compliance with the essential requirements in the above mentioned EU Directive. Other relevant Directives have to be observed.

After preparation of the necessary technical documentation as well as the conformity declaration, the CE marking as shown below can be affixed on the equipment.

The statement is based on a single evaluation of the sample of above mentioned product(s). It does not imply an assessment of the whole production.
