Parts needed to mount the FOLED-SUF-v1 profile
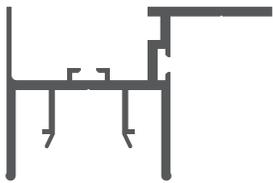

Extrusion (A)

Cover (B)

LED strip (C)

Stretched ceiling (D)

Tools needed for mounting:

-       drill
-       screwdriver
-       screws
-       hand saw

NOTE! All LED strips must be connected to a 12 V or 24 V power supply.

IMPORTANT: The manual presents the simplest mounting procedure.
          More mounting procedures and related accessories can be found at www.klusdesign.eu
